

CONSTRUCTION INDUSTRY TOOLKIT

Building Links – “who do you see on site?”

This Building Links toolkit includes an online learning video and posters for the construction sector to help identify and respond to workers at risk of labour exploitation.

Watch this 7 minute Building Links [online learning](#) video for site supervisors and project managers. Learn how and when to respond to *situations like this:*

Case study: A sub-contractor was exposed for charging illegal visa fees and underpaying wages to a group of migrant workers. The workers were promised good wages, board and lodging, but the company stopped paying wages after six weeks. With no wages, the workers became homeless and were forced to sleep on an office floor.
